**Subject:** I support the feasibility study

Mayor Mahan and honorable members of the Santa Clara City Council,  
As a faithful fan of the San Francisco 49ers, I strongly support your efforts to study the feasibility of a new stadium in Santa Clara. In Santa Clara, it all adds up:

The stadium would be located in the heart of the city's entertainment district, close to many highways, public transit options and family entertainment destinations.

A new stadium would provide a significant boost to the local economy.

The proposed financing plan puts the burden of cost overruns and operations shortfalls on the 49ers, not the city of Santa Clara.

I urge you to move forward with the feasibility study and help keep the team in the Bay Area, where they belong.

Respectfully,  
Joe Fernandez

Mayor Mahan and honorable members of the Santa Clara City Council,

As a faithful fan of the San Francisco 49ers, I strongly support your efforts to study the feasibility of a new stadium in Santa Clara. In Santa Clara, it all adds up:

- The stadium would be located in the heart of the city's entertainment district, close to many highways, public transit options and family entertainment destinations.
- A new stadium would provide a significant boost to the local economy.
- The proposed financing plan puts the burden of cost overruns and operations shortfalls on the 49ers, not the city of Santa Clara.

I urge you to move forward with the feasibility study and help keep the team in the Bay Area, where they belong.

Respectfully,

Michael Ebrahimoun

Mayor Mahan and honorable members of the Santa Clara City Council,  
As a faithful fan of the San Francisco 49ers, I strongly support your efforts to study the feasibility of a new stadium in Santa Clara. In Santa Clara, it all adds up:  
The stadium would be located in the heart of the city's entertainment district, close to many highways, public transit options and family entertainment destinations.  
A new stadium would provide a significant boost to the local economy.  
The proposed financing plan puts the burden of cost overruns and operations shortfalls on the 49ers, not the city of Santa Clara.  
I urge you to move forward with the feasibility study and help keep the team in the Bay Area, where they belong.

Mayor Mahan and honorable members of the Santa Clara City Council,  
As a faithful fan of the San Francisco 49ers, I strongly support your efforts to study the feasibility of a new stadium in Santa Clara. In Santa Clara, it all adds up:

The stadium would be located in the heart of the city's entertainment district, close to many highways, public transit options and family entertainment destinations.

A new stadium would provide a significant boost to the local economy.

The proposed financing plan puts the burden of cost overruns and operations shortfalls on the 49ers, not the city of Santa Clara.

I urge you to move forward with the feasibility study and help keep the team in the Bay Area, where they belong.

Respectfully,  
K. Schneider

**Subject:** I support the feasibility study

Mayor Mahan and honorable members of the Santa Clara City Council,  
As a faithful fan of the San Francisco 49ers, I strongly support your efforts to study the feasibility of a new stadium in Santa Clara. In Santa Clara, it all adds up:

The stadium would be located in the heart of the city's entertainment district, close to many highways, public transit options and family entertainment destinations.

A new stadium would provide a significant boost to the local economy.

The proposed financing plan puts the burden of cost overruns and operations shortfalls on the 49ers, not the city of Santa Clara.

I urge you to move forward with the feasibility study and help keep the team in the Bay Area, where they belong.

Respectfully,  
Ryan Iwanaga
